The 1996-1997
Story County, Iowa
Tam Service

Published by R C Booth Enterprises, Harlan, Iowa 51537

The information in this directory service concerns the occupancy of Story County's rural homes as compiled from a careful coverage of the county during the farming year and published by R C Booth Enterprises, Harlan, Iowa, without advertising through the cooperation of Story County business and professional men who purchase books.

THIS BOOK HAS TWO SECTIONS

1--On the Township Maps (arranged alphabetically) each number indicates a section number of that township. The name of rural resident in the township is located right on the map in his correct location (Occupied ●, Vacant ○)

2--In the Alphabetical Locator the occupant's name, post office address, location on the map, and indication whether owner or renter (O or R) are given.

Example: O King, R K--Har-1724 Rosebud Gree 31. This indicates that Mr King is an owner "O", that he gets his mail on Harlan-1724 Rosebud and that his location will be found in Section "31" on the "Greeley" township map.
